# Baronial business Meetings:

**Meetings are open to the populace.**
The Barony of Caerthe holds its Business Meeting and populace gathering on the first Monday of each month from 7:00pm - 9:00pm. We meet on the First Floor of the Englewood Civic Center in one of the two large conference rooms. Address: 1000 Englewood Parkway, Englewood, CO 80110.

Directions: Take best route to the intersection of Santa Fe Dr and W. Hampden Ave. Turn East on Hampden Ave. to S. Inca Way. Turn North on Inca Way, then immediately left into the subterranean parking garage. The Englewood Library will be on the left side of the road where Inca Way intersects with Englewood Pkwy.

# Seneschals Report

Greetings Unto the Populace of Caerthe,

This issue of the Fortress returns the publication to a monthly edition complete with articles. In other words, there will no longer be an "event announcement only" edition. Realize that we will still be publishing it electronically. The reasons for this have been enumerated before and notably, doing so also coincides with the society's plan to move all kingdom newsletters to electronic versions.

We will, however, still need content. While I imagine that the meeting minutes have proven useful to those of you unable to attend the populace meeting, The Fortress should contain more. This month does contain other content including the beginning of a "Meet the Officers" section that is similar to the "Meet the Peers" section written in previous editions by Mistress Adelyn. We are also hoping to have a "This Date in Caerthe History" section. The information in that section will be comprised of material that the barony has stored for years and has begun to digitize. Additionally, some of the individuals who are participating in the "Letters Across Time" project have also indicated that they might be willing to have their letters published.

These items alone, however, will not fill the newsletter. To paraphrase Master Dafydd, Caerthe is a great barony that can support a strong monthly publication! I thoroughly agree. This means that we need content from you. There is a vast array of material that can be included. Some suggestions include: event reviews/recaps, poetry, analysis of period documents, relevant book reviews, recipes, comic strips, suggested fighter drills, how-to manuals, etc. An advantage of having an electronic newsletter is that there is a lot more room for such articles. Therefore, you can include a lot more in your piece.

As the summer winds down, a number of events will be happening. Three Stags in particular is looking to be a whole lot of fun! Should the weather stay nice, we will also have opportunities for outdoor fighter practice. I hope I will be able to see you all at one of these places.

YIS,
THL Jethro Stille
Seneschal of Caerthe

# Meet the Officers

**Name:** Sandra Oliver
**AKA:** Seuilla DeCordoba
**Title:** Mistress
**Position:** Caerthan A&S Officer
**When did you join the SCA?:** 1993
**How did you find the SCA?:** I was introduced by a couple of friends – my first event was HORRIBLE (5 yrs before I joined). I went to a feast/A&S day and no one talked to me, and the person I was with left me to fend for myself. Good thing the next experience was great!
**Why did you join the SCA?:** I loved the idea of fencing, and getting to dress up! I have always had an interest in the Middle Ages, and this was a great way to pursue all of the above.
**Who was the first peer you met?:** Don't remember.
**Who were the landed nobility/vicar of Caerthe when you first came to the barony?:** Baroness Tess
**How did you choose your persona?:** I started out with a Spanish persona (1450) and then found Middle Eastern garb. I changed my persona to incorporate both (a Spaniard living in Turkey after being run out of Spain during the Inquisition)
**What do you like most about the SCA?:** I enjoy the camaraderie of people from all walks of life. I truly enjoy service – making the 'magic' happen behind the scenes is the most fun.
**What plans/goals do you have for your office:?** I would love to see A&S become a well attended part of the SCA in Caerthe again. We used to have wonderful A&S events, with lots of support from all. In addition, we used to be well known for our Middle Eastern drumming and dancing. Recently, that seems to be becoming a lost art.
**What's a little known fact about you?:** I am actually quite shy. The SCA has been a great place to allow me to come out of my shell, and find ways to interact with people without freaking out over talking. ☺

# Meet the Officers

**Name:** Jethro Stille
**AKA:** Suleiman ibn Da'ud ibn Sahl al-Qalqashandi
**Title:** The Honorable Lord
**Position:** Seneschal
**When did you join the SCA?:** AS XXIX
**How did you find the SCA?:** There was a demo on library mall in Madison, WI where I was attending college. My first exposure to the SCA, however, was when I was a boy and my parents took my brother and me to Pennsic (there used to be one day of the war that was opened to the public as a demo).
**Why did you join the SCA?:** I really enjoyed the fighting. I originally wanted to do armored combat. The rapier marshal, however, took me under his wing and taught me basic moves since I was under 18 and couldn't otherwise partake. In the months before I turned 18, I took part in the college fencing club and also brought a stick to practice so I could drill with the other fencers. The first practice at which I was eligible, the marshal suited me in armor and weaponry and let me go to town. I loved it!
**Who was the first peer you met?:** Duke Sir Conn MacNeill
**Who were the landed nobility/vicar of Caerthe when you first came to the barony?:** Walter and Fiachra
**How did you choose your persona?:** I really enjoyed the music of Jethro Tull. Therefore, when I came across the name Jethro in a naming book I mentioned it to a girl I liked. She thought it was perfect and so did I. The last name was originally Stiller. The College of Heralds decided that the name "Stiller" could not be supported as being period but the name "Stille" could so it was changed to Stille. The Persona of Suleiman came into existence a few years ago when I began researching period cryptography and realized that an Arabic persona would be more suited to that pursuit. It also allowed me to explore an entirely different culture.
**What do you like most about the SCA?:** I continue to enjoy the martial activities. I also, however, love the SCA as a social outlet. I have had some of the best conversations during the night time festivities at events. Importantly, the SCA continues to challenge me to broaden myself and learn new skills.
**What was a memorable moment in the SCA?** One evening at Pennsic XXVI I was spending time in the Ansteorran encampment. A bagpiper happened by and the Queen of Ansteorra asked him to play atop the tower that they had erected (it was multiple stories high). We all went outside to watch him play atop the tower as he was silhouetted against a full moon. That was an image that has been seared into my brain.
**What plans/goals do you have for your office:?** I would like to see a practice site that is enthusiastically embraced by much of the populace. I believe that we can find a site that can appease many people and can be done so at a price that can be sustainable. This does not mean that it will be cheap (and likely not free) but if the site is good enough, then I believe that the number of people who come will be able to sustain it by paying a nominal fee.
Additionally, I would like to see our digital presence grow. We have already made strides in that area and are continuing to make more. Other goals include having an extremely smooth process for event planning. While the pieces are all there, its a matter of putting them all together - especially in consort with other groups. As seneschal, there are of course a number of other issues but these are some of the highlights. Recognize that ensuring that Known World Cooks and Bards runs smoothly is also an important item . . . but that is not directly tied to the seneschal's office.
**What's a little known fact about you?:** I've fired live ammunition in a school building! I was shooting for the school rifle team and the range was in a room within the school.
